Our Food

Our school meals and snacks are healthy, fresh and delicious. We work with bespoke catering company, Thomas Franks and use local suppliers and fresh ingredients wherever possible to provide our pupils with nutritious, exciting options.

As well as a Chef's special and a Vegan/Vegetarian option each day, our lunch spreads include 'grab and go' options, daily soup and salad bars, hydration stations and fresh fruit. Our boarders enjoy exciting breakfast options, including a smoothie bar with fresh fruits and juice that they can pick and have blended into a custom smoothie, and breakfast specials, which the chefs adapt each day to add variety to the morning offerings.

Boarding

Boarding at Shebbear builds confidence and friendships and develops independence – as well as being a lot of fun! We have two boarding houses - Pollard and Ruddle.

Our boarding staff are very much part of the family and are responsible for pupils' academic, pastoral and social welfare, giving them the security of a family environment whilst at the same time enjoying the freedom to grow and mature.
